

CALL FOR ABSTRACTS

Bioscopy Conference

15-17 June 2026

UiT The Arctic University of Norway

Interdisciplinary dialogue of **Life Sciences × Advanced Imaging**

Beyond **successes**, we welcome insights from **unsuccessful paths** or **'negative' results**, as they belong to the authentic research journey.

We favor submissions **bridging biology and imaging/analytical expertise**. Example themes include, but are not limited to:

- **Biological Themes**

Fundamental Life Sciences

Cell, Micro & Immunology

Translational & Clinical Research

- **Imaging Themes**

Imaging & Microscopy

AI & Computational Biology

Multi-omics & Bio-assays

Important dates

Submission Deadline **1 March**

Author Notification **7 April**

Conference **15-17 June**
